

Windsor Park School

School Digital Citizenship Plan 2025-2026

Relevant contextual information about your school and School Development Plan:

- At Windsor Park School we believe that Digital Citizenship (DC) is having the knowledge, skills, and attitudes needed to demonstrate responsible and respectful behaviour when using technology and participating in digital environments.
- Our belief is that our students should experience a greater sense of belonging, well-being and success at school, when the pathway to their learning is inclusive of all learners' needs.
- Digital devices are used to support specialized learning needs, and for educational purposes.
- Our School Development Plan focuses on supporting all students to be able to express themselves and the use of digital technologies makes learning accessible for all students.
- Each student has access to their classroom's online Google Classroom.

Relevant evidence and data that informs your Digital Citizenship Plan:

- 155 students have access to chrome books and iPads within the school setting
- Several devices are housed in classrooms for assistive technology purposes such as Google Translate and Read and Write Gold
